HER UNDERTAIL

MONSTER-GIRL EDITION

PART I

Reset

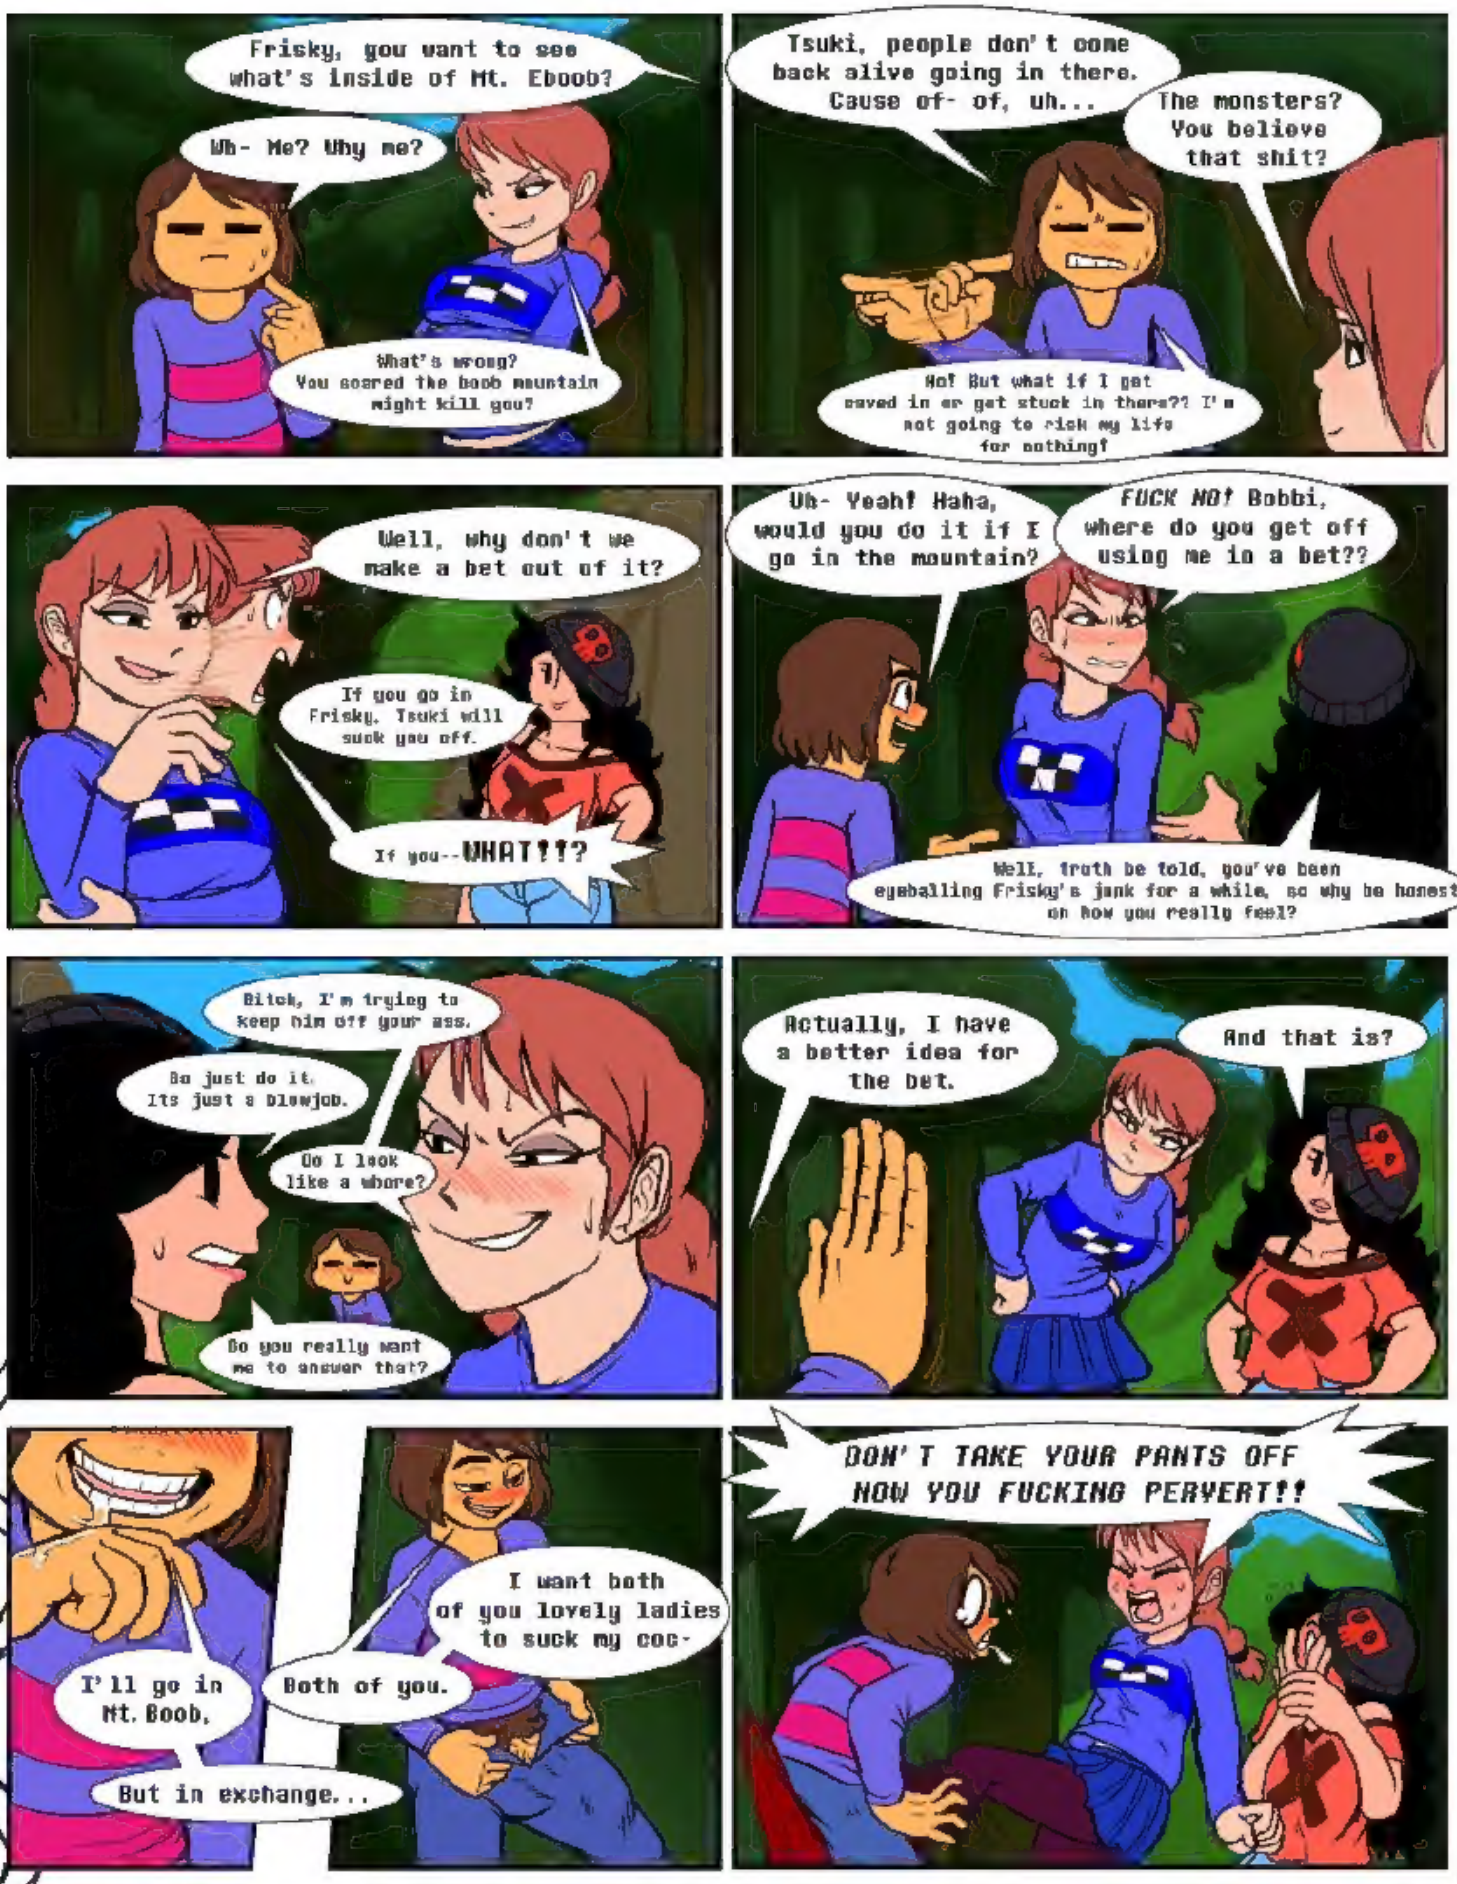
Long ago, two races ruled Earth;
HUMEN MEN and MONSTER GIRLS
...(also human women.)

One day, war broke out between the two female races over the men.

When the human women won, they sealed the monster girls underground with a magic barrier.

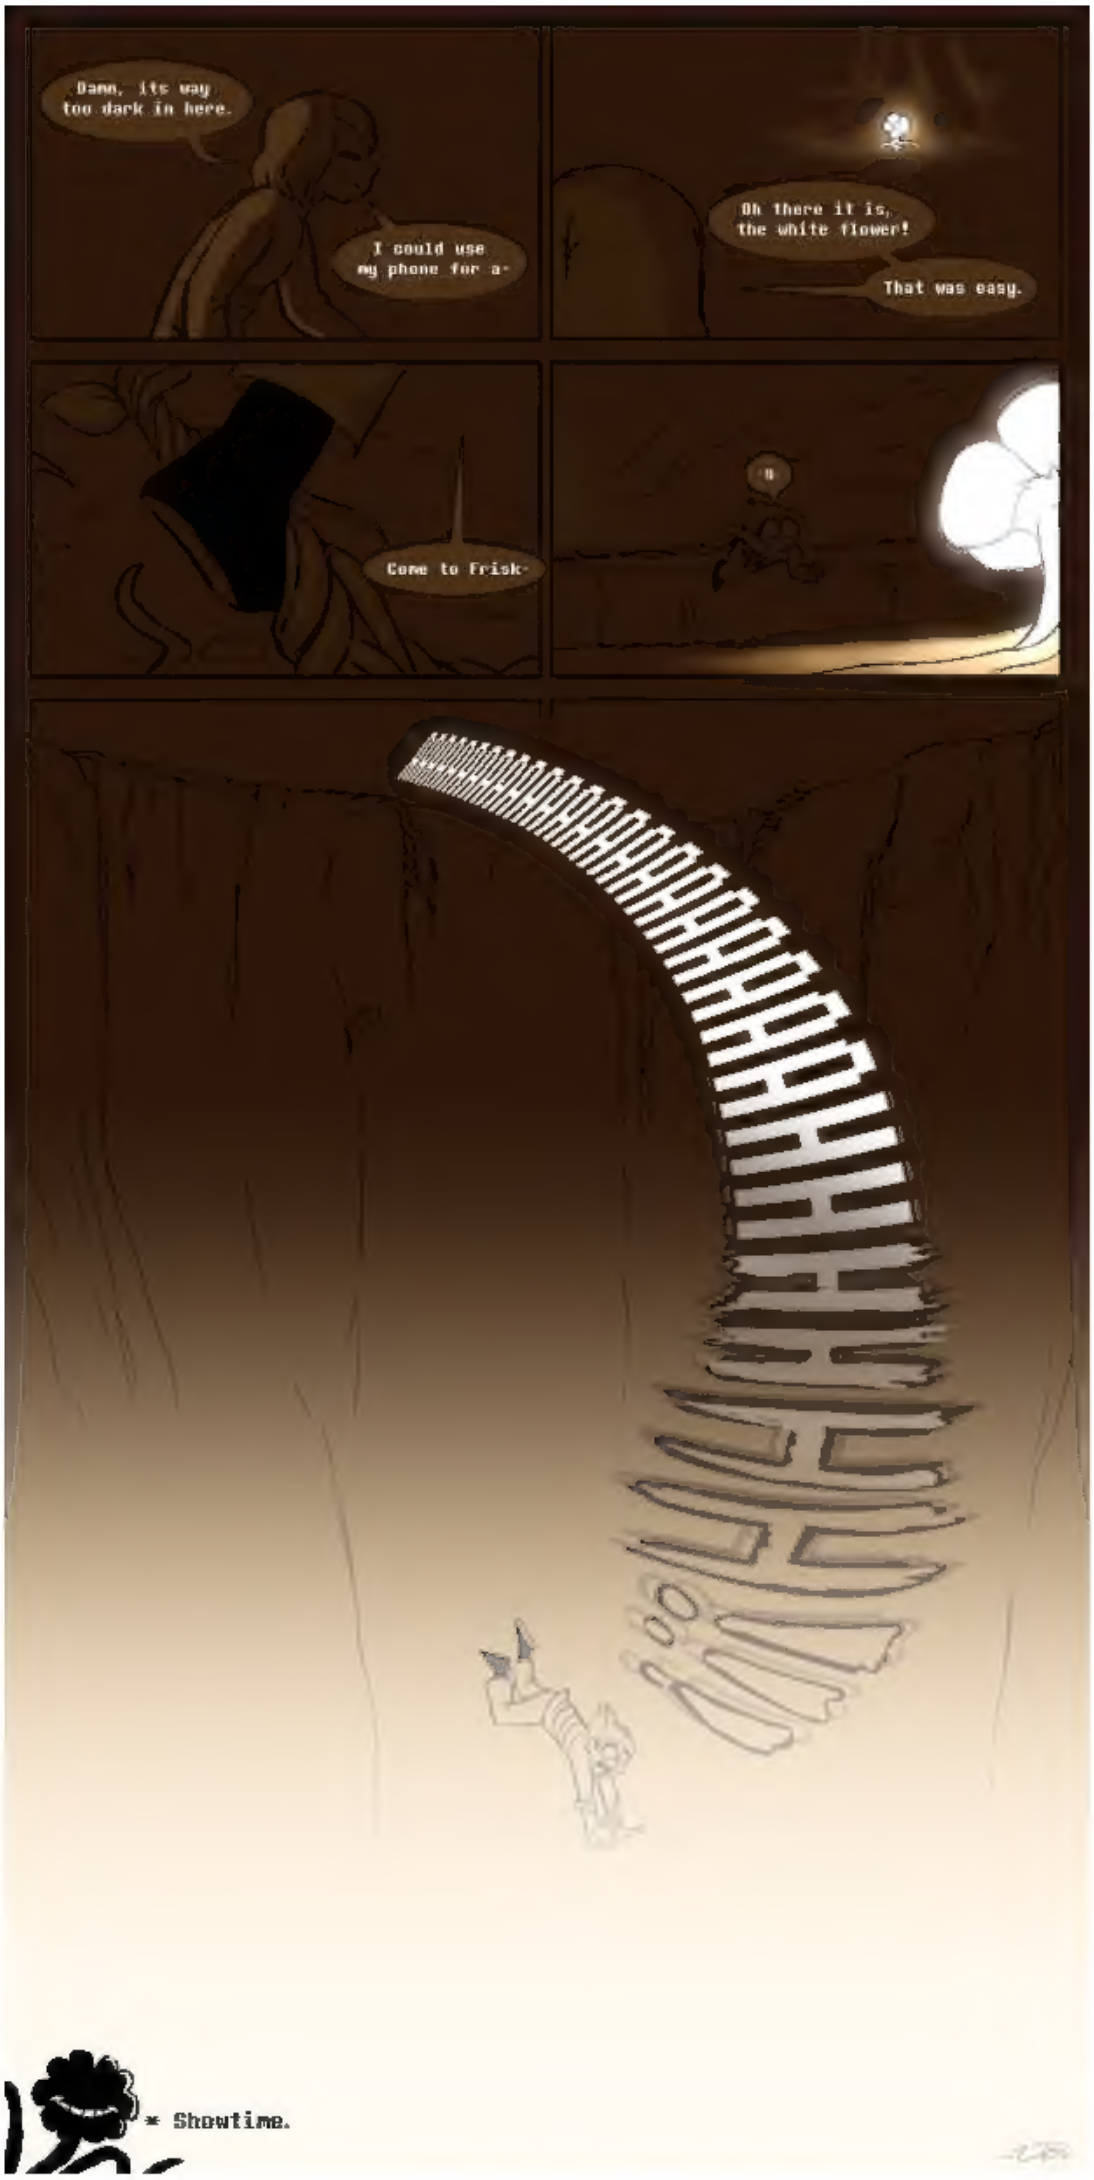
Many years later...

* Howdy! You're probably wondering what's going on, and why I'm here too.



* (Giggle) Well~
* This is more of a tease before the main course.

I-Is that's a n-n-no then?
What do you think? Dumb pervert!
B-Besides, how will we know you won't just pretend to go in and out of the mountain?
We can't stay here for long.
White Gorse.
Huh?
Apparently there's this rare variant of the gorse flower that grows in harsh environments.
Along with the monster rumor, this mountain's caves are rumored to house the last of the white gorse flowers.
If you can get at least one of these flowers back for the inside of this mountain,
I'll gladly suck your cock.
One white flower coming right up!
I'll be back before you know it!
...Was that actually true?
Hm?
The white flower shit, is that an actual thing?
I don't know. I read it off a flower blog.
Well, lets hope he doesn't come back.
I guess, lets go before someone find us and ask what we're doing here.
Shame too, he was kind of cute.
Ugh, not even.
3
* Me? I can't wait for the main course to start~



Damn, its way too dark in here.
I could use my phone for a-

(This has to be a wet-dream...)
* That is your LUSTFUL-SOUL, the very culmination of your libido and being.
* You've got a big dick, but your LUSTFUL-SOUL is weak. It can get stronger if you gain a lot of LV.
* LV stands for LOVE of course. You want some of my LOVE, don't you?
Uhh.. Su-

* True, yes. As a human male in the UNDERGROUND, monster-girls may want to... do naughty things to you.
(I still can't believe the monsters are real, and... and damn, this one is fucking hot!)
* You will need to be prepared for this situation.
* When you encounter a monster-girl, she will try to f... FUCK you.
WHAT?!
(Monster-GIRL?)
Is... is that bad in any way?
* Well, no, but-
Then what's the problem?

My fear. .

* For you, I will put them aside.
Hey, Tutori.
I'll come back.
I promise.
Oh, and here, I have my cellphone. I doubt I'll get any signals outside of the cave, but you can call me while I'm still inside the underground if possible. Okay?
* ... Okay. I will no longer stop you.
* Goodbye.
Don't worry. As soon as I find the way out, I'll come right back here!
* Again...
* I cannot save even a single male.
* Dam it...

(Maaan, I don't know what Tutori's problem is.)

(Other than being stuck underground, this place doesn't seem that ba--)

* Clever.
* Verrrryyy clever.

AAAH!!
YOU AGAIN!?

Wait, you died. From that fire earlier, d-did you?

* It'll take a lot more than flames to kill me. I'm too horny to die.

(Too... horny?!)

* You however, seem to have a libido that rival's even my own.

Eh?

* Don't pretend you're not being a slick-dick.
* Satisfying one monster-girl is as far as you're going to get.

* Tee hee hee-
* I bet it felt really good too.

* You didn't have to rape anyone this time.

* You're such a nice guyyy~

* I could just hold you down and butt-fuck you til you shit pancakes.

* But I want to know if you'll be force to take control,

* To see how far these beasts will push you until you either submit,

* or over-power these weak, sexy creatures.

(Okay, this talking flower's insane.)

* What will you do then? Violate their very SOULs with your big, throbbing dick?
* Or give up your tight anal virginity?
* ... and let ME inherit your lustful power?

What? How is that-

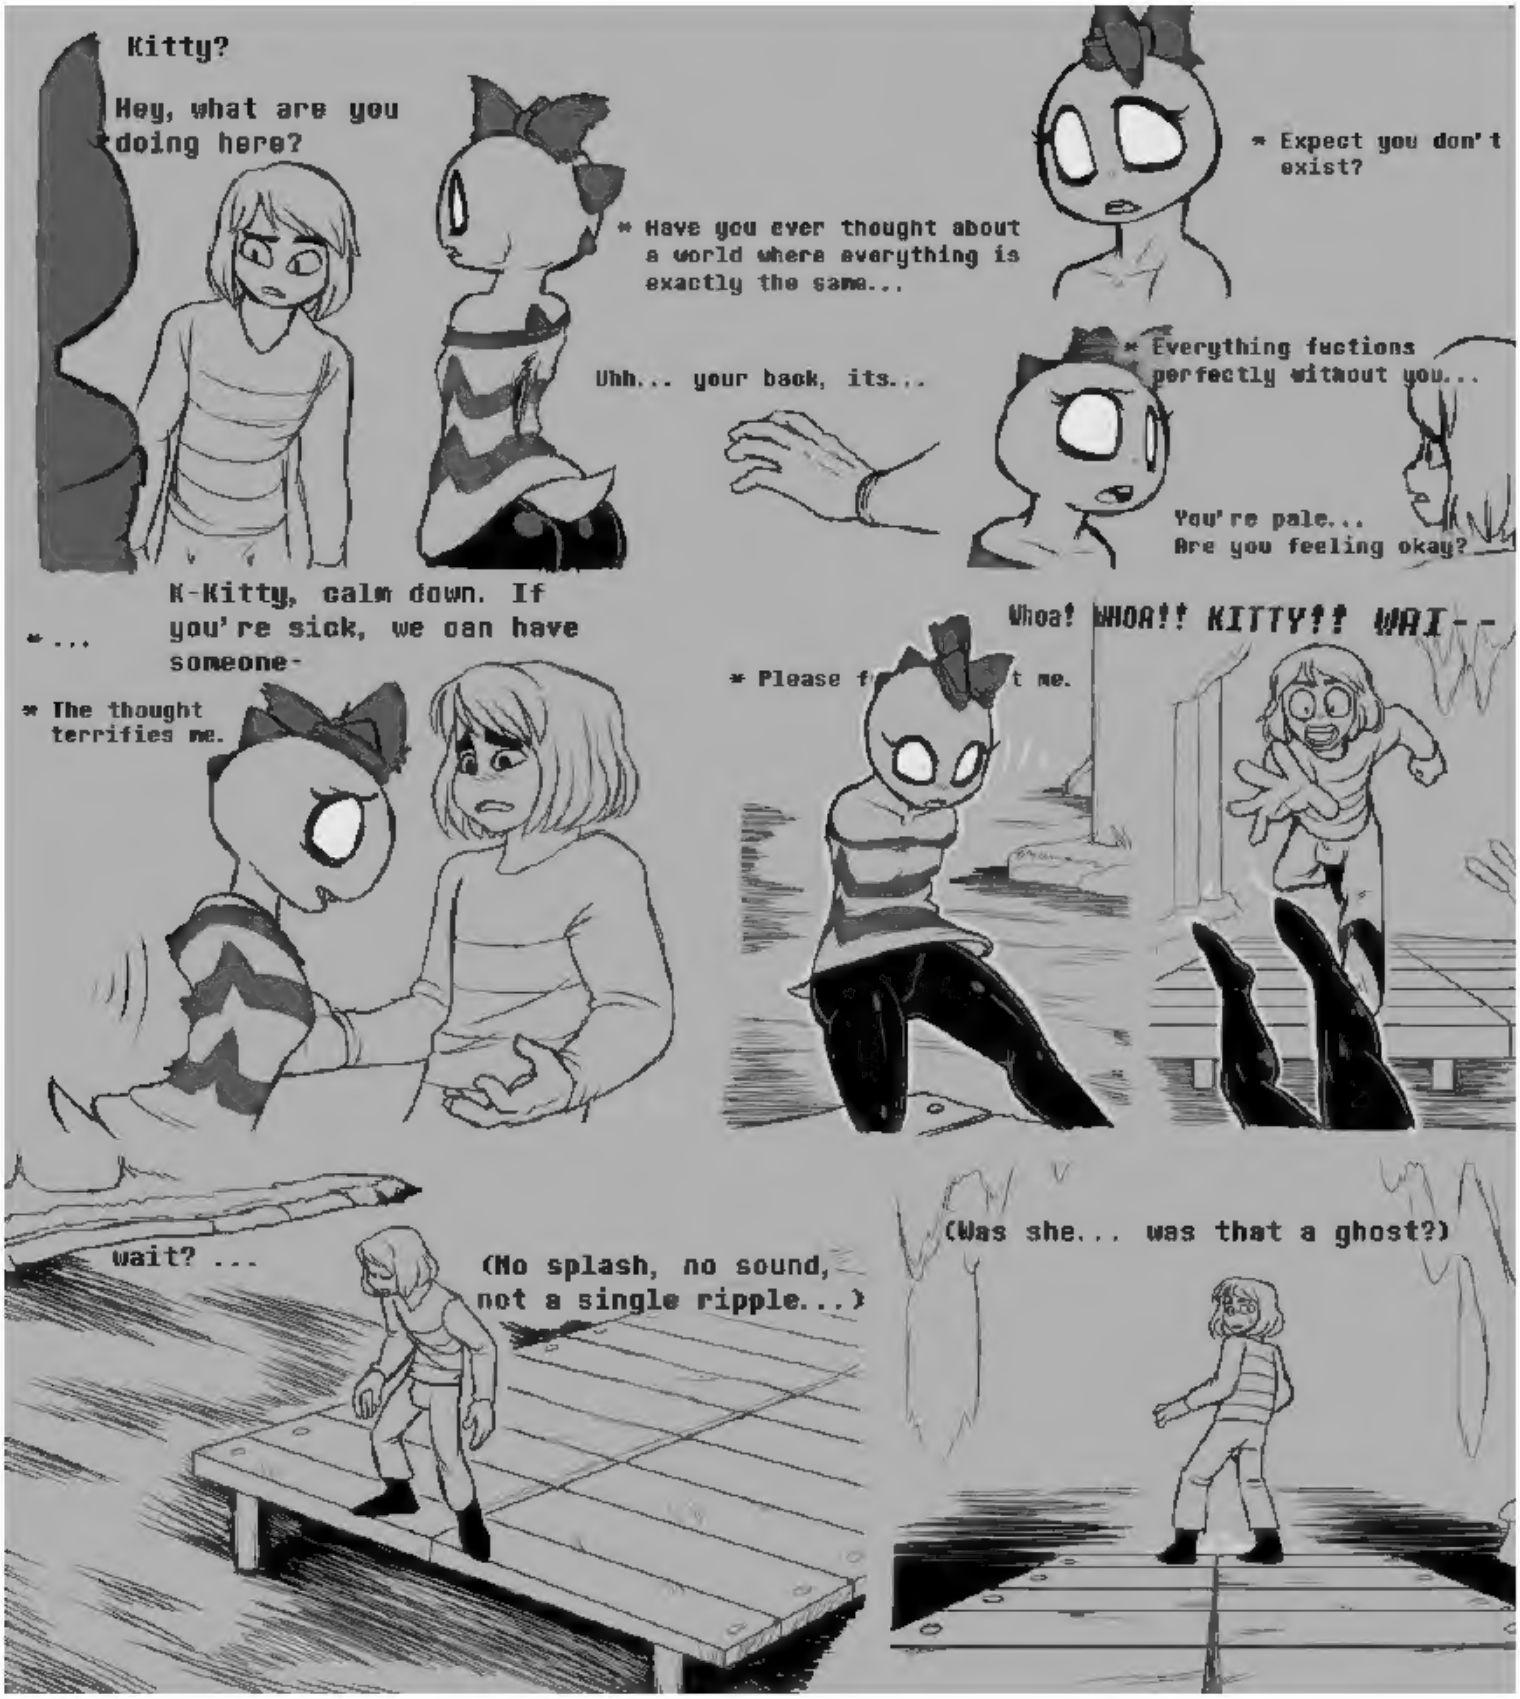
* I am the princess of this world's futures.

Wait, you're not making any sense.

* Oh don't you worry my limp-dick monarch, my plan isn't regicide.
* This is SO much more intersting.

* Eh HAHAHAA

HA HA HA HAH HA HA HA



Kitty?
Hey, what are you doing here?
* Have you ever thought about a world where everything is exactly the same...
* Expect you don't exist?
Uhh... your back, its...
* Everything fuctions perfectly without you...
You're pale... Are you feeling okay?
K-Kitty, calm down. If you're sick, we can have someone-
* ...
* The thought terrifies me.
Whoa! WHOA!! KITTY!! WAI--
* Please f t me.
